

# Plastic-Free DIY Food Wraps

## Method

Ditch the single use plastic wrap in favour of these DIY reusable food wraps.

Simply lay the fabric on a piece of parchment paper, add the jojoba oil, pine rosin, beeswax, and another piece of parchment paper, and iron until melted and smoothed out. Hang to dry.

To clean, rinse under warm water.

## Materials Needed:

- Beeswax (pellets or grated)
- Powdered Pine Rosin
- Jojoba Oil
- Cotton Fabric
- Pinking Shears
- Measuring Spoons
- Parchment Paper
- Iron

## Recipe for each size of wrap:

### 8" X 8" Sheet

- 2 teaspoons beeswax
- 2 teaspoons powdered pine rosin
- 1/2 teaspoon jojoba oil

### 11×11 Sheet

- 1 tablespoon beeswax
- 1 tablespoon + 1 teaspoon powdered pine rosin
- 1 teaspoon jojoba oil

### 14×14 Sheet

- 1 tablespoon + 2.5 teaspoons grated
- 1 tablespoon + 2.5 teaspoons powdered pine rosin
- 2.5 teaspoons jojoba oil
